Notification dated 18th February 1947.

No. 1436—Books. In continuation of this Office Notification No. 879—Books dated 6th December 1946, recommending that Government Officers may accept cheques from the public drawn on such banks only as were mentioned therein all concerned (the Government Officers concerned all Local Banking Institutions and the General Public) are hereby informed that in respect of payments to Government on account of Income-Tax and Lighting and Water Charges, cheques drawn *on all Local Banking and Co-operative Institutions* will be continued to be accepted by the concerned Departments as hitherto.

It is further notified that the procedure prescribed by Government in Government Order No. F. L. 3961-4020-G. F. 134-46-2, dated 19th November 1946, regarding the revised system of remitting cheques direct to the Mysore Bank, contemplates only cheques accepted by Departmental Officers in satisfaction of dues to Government the proceeds of which have to be credited to the several Revenue Heads of Account and against which no drawings are allowed. But instances have come to notice in which the Bangalore District Treasury has refused to accept cheques tendered without examining the head of account to which they are to be credited. The District Treasury Officer, Bangalore, will have to bear in mind the fact that the above Government Order does not permit the remittance of cheques direct to the Bank for realisation when the amounts involved are in the nature of deposits etc., as distinguished from dues to Government. This aspect of the question should always be present before the District Treasury Officer, Bangalore, as well as the several Officers of Government accepting cheques from the public.
